## **ACTION TAKEN REPORT ON FEEDBACK FROM PARENTS**

- Most of the parents urged upon the establishment of career counselling, guidance and placement cell in the department itself. Regular experts lectures are to be arranged for the same.
- Expert lecture should be arranged for enhancement of the communication skill of the student.
- Most of the parents agreed with exiting Lab facilities, Course content and other curriculum activities. Each year laboratory Equipments are being purchased/upgraded as per requirement. Chemicals are procured for project work.
- Faculty requirement & Campus selection were major issues from parents. They were ensured that recruitments of all vacant teaching positions are in the process. Teaching & Placement cell of the university will take care of placement.
