Sub: MoU related to Shodhganga - regd.

Dear Sir,

We would like to thank you for the initiative and signing the MoU to join the Shodhganga project on 14th Nov 2011. It was really great in interacting with almost 120 plus research scholars and 100 senior professionals in your university.

Enclosed please find one copy of the MoU (Original) duly signed by us for your record and retention as discussed. You are requested to kindly instruct your students to start submitting their theses online to the Shodhganga repository and research scholars to submit synopses to Shodhgangotri.. If soft copies are available, you may kindly pass on to us in CD/DVD.

You may nominate a University Coordinator with address and email id who would liaison with INFLIBNET for the submission of theses from your university. For more details and help, you may please visit <http://shodhganga.inflibnet.ac.in/manual/>

We are working with the UGC to allocate funds for this initiative so that participating universities can get funds for digitising back files of their theses. We will soon approach you in case the proposition submitted by the INFLIBNET Centre is approved by the UGC.

With regards,

Yours Sincerely

(Manoj Kumar K.)

Encl: One copy of signed MoU(Original).

Sub. Anti-Plagiarism Software "Turnitin" and "iThenticate" for your University – Regd.

Dear Prof. S K Pandey,

I am pleased to inform you that the INFLIBNET Centre is providing access to two Anti-Plagiarism software/tools namely "Turnitin" and "iThenticate" for a period of one year under Shodhganga Project to your esteemed university as a signatory to MoU on Shodhganga. The name of Shodhganga Coordinator received from university already been communicated to M/s Balani Infotech who represent the above mentioned Anti-Plagiarism tool in India. We have been informed that Administrator's accounts have been created in the name of Shodhganga Coordinator from your university with Email ID and an email from the respective Anti-Plagiarism software has been sent to him/her for activation of the account. Once the account is activated, your Shodhganga Coordinator will be able to create users for both the software. Details of Shodhganga Coordinator is given below for your verification:

Name of the University Coordinator	Shri. K K Chandrakar	
Email id as User name & Contact No.	resgistrar@rediffmail.com	0771-2262686

Please inform us urgently if your Shodhganga Coordinator has received the mail from "Turnitin" and "iThenticate". In case of any difficulty, please feel free to contact inflibnet@turnitin.com for "Turnitin" and richa.khanna@balaniinfotech.com for "iThenticate" with copy to us at shodhganga@inflibnet.ac.in. Once you have activated access to both the software, you are requested to kindly acknowledge along with date on which your access to software is activated.

Kindly note that the Shodhganga Coordinator can create unlimited number of accounts using Login ID and Passwords. As such, Shodhganga Coordinator is required to take proactive action in this regard and create accounts for his/her fellow-colleagues as well as researchers.

With regards,

Yours sincerely,

(Jagdish Arora)

PS: Kindly note that access to only one of the two software/tools (Turnitin or iThenticate) will be available after one year, depending upon feedback received from you. As such, you are requested to kindly evaluate both the software and provide your feedback.

Memorandum of Understanding (MoU) for Shodhganga
(A Repository of Theses and Dissertations submitted to the Universities in India)

This Memorandum of Understanding (MoU) is made and entered into on _____(Day)_____(Month)_____(Year) between the INFLIBNET Centre, an IUC of University Grants Commission located at Ahmedabad, hereinafter referred to as "INFLIBNET" and _____ (University / Deemed University / Inter-University Centre), here in after referred to as the 'University'.

WHEREAS, INFLIBNET Centre, an Inter-university Centre of the University Grants Commission, as its mandate, promotes open access to scholarly content generated in universities. The Centre has computers, network, software infrastructure and technical know-how required for hosting electronic versions of theses and dissertations in open access with interface to search, retrieve and access these content.

WHEREAS _____(University / Deemed University / Inter University Centre) has agreed to take part in the process of digitisation of old theses and dissertations (not available in computerized machine-readable format) and building-up of digital repository and to promote, share and host its ETD in 'Shodhganga: A reservoir of Indian theses submitted to the Universities in India' and other universities in open access. 'Shodhganga' is a name coined by INFLIBNET Centre for referring to the repository of Indian Electronic Theses and Dissertations. The word "Shodh" originates from Sanskrit and stands for research and discovery. The 'Ganga' is the holiest, longest and largest river in Indian subcontinent which has held heart of its people captive and drawn millions of people to its banks since the dawn of history. The Ganga is the symbol of India's age-long culture and civilization, ever changing, ever flowing, ever loved and revered by its people. "Shodhganga", a repository of theses and dissertations submitted to Indian universities, is expected to keep growing to a formidable size as more and more researchers from India submit their research works to this ever growing reservoir.

This Memorandum of Understanding (MoU) defines responsibilities, liabilities and commitments of the institutions involved to ensure proper system implementation, to meet the objectives pertaining to submission and access to Electronic Theses and Dissertations as envisaged by the UGC vide its Notification (Minimum Standards & Procedure for Award of M.Phil/Ph.D Degree), Regulation, 2009 dated 1st June, 2009.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, INFLIBNET and the University agree to the following terms and conditions:

I. INFLIBNET Centre

1. Provide access to ETD hosting server(s) at the INFLIBNET Centre 'Shodhganga' to the University with accompanied software interface enabling University / its student to create metadata and upload their theses and dissertations in ETD repositories designed for this purpose. The INFLIBNET will take the responsibility of keeping the data intact and usable, keep back-up of the

Handwritten signature and date: 14/06/10

data so as to avoid its loss. The INFLIBNET will deploy tools and techniques of digital preservation to ensure continuing access to scholarly content in digital formats and to protect them from media failure, physical loss and obsolescence.

2. Recommend to the UGC to extend financial assistance to the Universities under Sections 12(B) and 2(f) of UGC Act for digitization of theses and dissertations not available in computerized machine-readable format and / or for procurement and installation of a suitable computer system / infrastructure for creation of ETDs.
3. Provide configuration of system, specifications and technical guidance to the University for procurement of computer hardware and related systems for setting-up of ETDs.
4. Provide guidelines, technical standards and specifications for digitization of Ph.D. theses submitted to the university in past and for theses not available in computerized machine-readable format.
5. Impart training to at least one person from the university (from library field and / or from computer field) in creation, updation and computerized operation of digital repositories of ETDs especially on 'Shodhganga'.
6. Extend access to an anti-plagiarism software or provide services to evaluate theses for possible plagiarism and submit a report to the concerned university.
7. The INFLIBNET may refuse to host any material deemed by the INFLIBNET to be controversial in nature or is in violation of copyright act.
8. This right of refusal will not relieve the University / Ph.D. scholar of liability, both to INFLIBNET and to the public, for matter contained in the theses that may be libelous or actionable and to both INFLIBNET and copyright owners for copyright infringement by the Ph.D. Scholar.
9. The INFLIBNET Centre will not be responsible for i) errors, omissions, inaccuracies and quality of content or misinformation or for any damages caused to the user or any third party from the use of content provided in the theses; ii) safety and archiving of loaded content in cases of "force measure" including natural calamities; and iii) printed version of theses.
10. INFLIBNET Centre will recommend or provide access to plagiarism software which university may use to detect plagiarism before awarding the degree.
11. The INFLIBNET Centre replicates the content of theses and dissertations on different server and other auxiliary storage media. However, the INFLIBNET Centre does not take the responsibility for the archiving or backing-up of loaded content. The universities, therefore, should also keep a back-up of their theses and dissertations.

14/10/21

II. The University

1. The University would grant non-exclusive worldwide license to the INFLIBNET Centre for hosting and distributing their theses in digital format in 'Shodhganga' or any other server designated for this purpose.
2. The University / its researcher scholars agree to host / upload a computerized machine-readable file in mutually agreed format of all theses on to the 'Shodhganga' server at the INFLIBNET.
3. The University will not hold INFLIBNET Centre responsible for any errors and omissions contained in the original theses.
4. The University commits to digitize theses and dissertations and their bibliographic records submitted to the university and provide necessary infrastructure including manpower support for operation of ETDs.
5. Commits to utilize the assistance provided by the UGC on recommendation of the INFLIBNET for implementation of ETDs including their digitization.
6. Deputes at least one person from the university (from library field or from computer field) for undergoing training on implementation of ETD organized by the INFLIBNET and ensure that the person trained by INFLIBNET on ETD is / are deployed for the same job.
7. Arranges to provide training to research scholars or users of its library and staff of colleges affiliated to University in creation of electronic version of theses and their deposition in the ETDs.
8. Ensures use of standard software and metadata schema suggested / provided by the INFLIBNET for setting-up / development / operation of its ETDs .
9. Creates bibliographic records of all theses and dissertations submitted to the university in standard bibliographic formats prescribed by the INFLIBNET Centre from time-to-time and contributes these records for inclusion in the INFLIBNET's Union Catalogue (IndCat).
10. Commits to sharing of library ETD resources / databases with the INFLIBNET Centre as well as with other universities.

Ce-2
14/xi/11

11. The University would agree to host their ETDs in the digital repositories 'Shodhganga or other servers' set-up at the INFLIBNET Centre, and grant non-exclusive licence to the Centre to make electronic version of theses in full-text (theses that are born digital as well as those that are digitized using scanners / digital cameras) accessible through open access ETD.
12. The University shall not use electronic version of theses digitized using funds given by the UGC for any commercial purposes. The University shall not rent, sell or license the use of or deliver or release or otherwise part with the possession of the systems / software or the INFLIBNET ETDs databases, Shodhganga or any part thereof to any other party (individual, institution, organization, etc.)
13. The University will also commit their own funds or grants for fulfillment of the project, if the project on implementation of ETDs demands more resources and funds to complete it.
14. The University will use the plagiarism software recommended by the INFLIBNET and made accessible to test the thesis submitted by the student for plagiarism before awarding the Degree. If the university is not subscribing to such software, it will use the software from the nearest Regional Centre, if any.

III. Termination

Both, the Parties, will have rights to terminate the MoU at any time in case of breach of obligations and terms and conditions of the MoU. This MoU signed hereunder may be terminated by either party at anytime upon ninety (90) days prior written notice. Upon termination of this Agreement, the INFLIBNET / University will stop hosting their theses immediately while keeping the theses already deposited by the University in its archives for its users. The University shall stop using the INFLIBNET's ETD facilities and databases and return any software / hardware or digitized content provided by or through the INFLIBNET, back to INFLIBNET within the 3 months notice period.

IN WITNESS WHEREOFF, the parties hereto executed this MoU on this date above mentioned.

**MEMORANDUM OF UNDERSTANDING
FOR
SETTING UP WORKSTATION FOR RESEARCH ON
MICRO DATA FROM CENSUS**

**Directorate of Census Operations, Chhattisgarh
Ministry of Home Affairs
Government of India**

**This Memorandum of Understanding is made at Raipur on 18th Day of
January, 2016**

Between

Directorate of Census Operations, **Chhattisgarh**, Ministry of Home Affairs, Government of India, with office at **Raipur**, hereinafter referred as "**First Party**", which expression shall, unless repugnant to the meaning of the context thereof, means and includes its representatives, executors and permitted assigns) of the First Party

AND

Pt Ravishankar Shukla University, Raipur (CG) (hereinafter referred as "**Second Party**", which expression shall, unless repugnant to the meaning of the context thereof, means and includes its representatives, executors and permitted assigns) of the Second Party

I. BACKGROUND

01. The Office of Registrar General & Census Commissioner, India (ORG&CCI) is an attached office of the Ministry of Home Affairs and has currently 35 offices all over the country. Besides the Head Office at New Delhi and the Language Division at Kolkata, 33 offices are located in States/UTs and are known as Directorate of Census Operations (DCOs). The Office of Registrar General and Census Commissioner, India (ORG&CCI) is an Attached Office of the Ministry of Home Affairs that has its own administrative setup. The office is responsible for:

- Conduct of decennial Population Census under the Census Act 1948, tabulate and disseminate the Census data;
- Coordinating and unifying at the National level, the work under the *Registration of Births and Deaths Act, 1969*;
- Estimating at the National and State level, fertility and mortality rates through the *Sample Registration System (SRS)*;
- Preparation of National Register of Indian Citizens as since 2003, Registrar General, India has been designated as National Registration Authority and Registrar General of Citizen Registration under the *Citizenship (Amendment) Act, 2003*. As per latest decision of the Govt. a National Population Register (NPR) is being prepared;
- Conducting the Annual Health Survey (AHS) at the behest of Ministry of Health and Family Welfare to yield benchmarks of core vital and health indicators at the district level; and
- Rendering Technical & Logistic Support for Conduct of Socio-Economic and Caste Census (SECC).

02. Conduct of the Census is a role assigned to Government of India, under the Constitution. The Indian Census has a rich tradition and enjoys the reputation of being one of the best in the world. The first Census in India was conducted in the year 1872. This was conducted at different points of time in different parts of the country. In 1881 a Census was taken for the entire country simultaneously. Since then, Census has been conducted every ten years, without a break in spite of several adversities like wars, epidemics, natural calamities, political unrest, etc. This mammoth administrative exercise of collection of micro level data for the entire country, requiring huge commitment of manpower and material resources, is conducted by the

Government of India every ten years with the active support of States/UTs. Census, 2011, conducted very recently, is the fifteenth in this unbroken series since 1872 and the seventh after independence.

03. The Post-Census operations call for tabulation of the data collected during Census, in proper format, at the earliest, with high level of accuracy, to make it available for use by all concerned. Accordingly, after every Census, ORGI and DCOs publish a wealth of data with regard to statistics on population.

04. At the time of each decennial Census huge array of information is collected from each person in the country on various subjects like social, demographic, economic and other related aspects. Information is also collected about the household and about housing condition, amenities and assets available.

05. This huge information collected is then used to generate specific pre-formatted tables for use by a wide range of data users. At the Census 2001 about 300 tables were generated using the database of information on more than a billion people. Besides, on request from data users customized tables are also generated for their specific use from the database.

06. As information is power and as collection of information itself is very costly, many countries allow researchers the access to such a huge dataset as in Census for individual research. Indian Census has also decided to extend this facility to the researchers and has the approval of the Planning Commission, Government of India for setting up 18 Workstations for research on micro-data from Census within the 12th Five Year Plan (2012-17).

07. The Census Act 1948 stipulates that the information given by any respondent at the decennial Census is to be treated as confidential. Such information is also prohibited from being presented or used as exhibits in any court of law. The census data published by the Census Commissioner, India

is in the form of aggregate tables at various administrative levels like, the country, state, district, sub-district, town, village or ward in town as the case may be, where it is not possible to identify the individual(s) to whom these relate to. While allowing research on micro-data it is therefore utmost important to anonymize the data to protect confidentiality by masking the location and a few sensitive fields. After anonymizing the record level data the dataset is made available for in-depth research at the workstations on varying characteristics of the population of the country. The researchers are permitted to generate cross tabulations using the micro-data sets but are not permitted to copy or take out the data from the workstation.

II. OBJECTIVE

08. The objective for setting up the Workstation is to permit qualified researchers optimum use of anonymized micro-data from census for in-depth research by allowing access for generating cross-tabulations not published by the Census. The facility is open to all including those who are not enrolled or part of the institute.

09. Such research would not only allow greater utilization of data by way of generating cross-tabulations from confidential micro-data not otherwise possible by using aggregate level data available in public domain. An in-depth study might also contribute towards improving the methodology of data collection during census as well as identify strengths and weaknesses of the micro-data.

10. Each set of observations arrived at the data center after research would be the end result of decision rules covering definitions, classifications, coding procedures, processing, editing, etc. The validity and consequences of all these decision rules only become evident when the ORGI's micro-databases would be tested in the course of analysis. Exposing to the light of

research the conceptual and processing assumptions that are embedded in the census micro-databases constitute an important element in improving the quality of data.

III. LOCATION:

11. As agreed to by the Second Party, the workstation shall be located at the following address:

Pt Sundarlal Sharma Library, Pt Ravishankar Shukla University, Raipur

IV. FACILITIES AVAILABLE

12. The workstation will be fully equipped with all the facilities for research on confidential micro-data from Census 2001 and Census 2011. The workstation will be fully air-conditioned and would have a network of computer terminals for accessing the data. An official from the institute will be posted at the workstation to provide access to the data sets required in the approved research proposal.

13. The researcher will be permitted to only use the software made available at the workstation for tabulation. The researchers may also use the printer installed in the workstation to print the approved outputs (by the steering committee). She/he will however not be allowed to take out the soft copy of the micro-data in any format.

V. SUPERVISION OF THE WORKSTATION

14. The Second Party agrees to nominate **Pt Sundarlal Sharma Library** as the Department responsible for setting up and maintaining the workstation on behalf of the Institute. The Department also agrees to foster and promote research as agreed to in this MOU.

15. The Second Party also agrees to appoint a senior faculty member of the Department as the sole In-charge for the proper functioning of the workstation. Institute also agrees to appoint a separate faculty member to support the In-charge.

VI. STEERING COMMITTEE

16. For examining the research proposals received from scholars, students or any other person for undertaking research, a Steering Committee will be constituted by the Second Party. The Steering Committee shall comprise of four members with two members from the Second Party and two other members from the First Party. The Steering Committee will meet regularly to examine the research proposals received at the workstation and accord permission for research, if found suitable. The facilities available at the workstation will only be open to researchers whose research proposal has been accepted and approved by the Steering Committee. In case the datasets are not available at the workstation, or up to the time it is not available, the Faculty In Charge would forward the request for generating cross-tabulations to Census Commissioner, India for consideration. If approved by the Census Commissioner, India the tables would be generated at the ORG&CCI and made available to the research scholar. The Steering Committee would make its own rules for operating the workstation. The nominated members from the First party would have the right to convene the meeting of the Steering Committee, if necessity arises.

VII. WHO PROVIDES THE DATA FOR RESEARCH

17. After the proposal from a Research Scholar is approved by the Steering Group the Faculty in charge would direct the person posted at the Workstation to allot a Computer terminal and make available the data.

VIII. RESTRICTIONS TO BE FOLLOWED

18. In order to maintain the confidentiality of the data and also to supervise and monitor use of the micro-data it is not permissible to take out or copy the data. The researcher would be allowed to process the micro-data using the software as available in the workstation and generate the table for use in her/his research. Only computer printout of the tables so generated will be allowed to be taken out of the workstation. For this purpose the researcher would have to fill in the prescribed form and obtain permission of the supervisor.

IX. SUPERVISION AND GUIDANCE

19. The University/Institute, shall nominate a senior faculty member of the University/Institute for supervising the workstation. She/He would be assisted by a Junior Faculty Member in this work. The entire operation at the workstation would be supervised by the faculty so designated.

X. SETTING UP WORKSTATION

20. The Second Party agrees to set up the workstation as per modalities suggested by ORGI and elaborated in this MOU for research on micro-data from Census.

XI. RESPONSIBILITY OF THE SECOND PARTY

21. The Second Party, on its part, agrees to undertake and fulfill the following responsibilities in setting up, maintaining and fostering research at the Workstation being set up with fund support from ORGI:

- (a) The Second Party agrees to allot suitable room/hall with approximately 1400 sqft (approx.) space to set up the workstation to the satisfaction of the RG&CCI or any officer nominated by him.
- (b) The Second Party assures to utilize the grant for undertaking site preparation including minor civil and electrical work to make it ready for use as workstation in consultation and agreement with ORG&CCI and DCO Chhattisgarh.
- (c) The Second Party agrees to undertake civil work (like, partitioning, painting, etc) to create separate rooms for use as (i) Server Room, (ii) Terminal Room where the Desktop PCs will be installed to access the data, (iii) Supervisors room and (iv) Reception area.
- (d) The Second Party agrees also to undertake electrical work to provide adequate lighting, air conditioning and necessary points.
- (e) The Second Party agrees to utilize the grant for purchase of Computers, Server, Desktop PCs, UPS, Printer and the software required (vide list below).
- (f) In case the grant of Rs 20 lakh given by ORGI is insufficient to meet the expenditure for purchase of all equipments and for undertaking the minor civil and electrical work, the Second Party agrees to meet the excess expenditure from its own fund. These additional funds invested by them will not be reimbursable by ORG&CCI
- (g) The Second Party agrees to allow the use of space originally allotted for setting up the workstation. In case the site has to be shifted to a new location, all expenditures towards setting up the workstation de novo will be borne by the Second Party.

- (h) The Second Party agrees to ensure proper maintenance of all equipments from its own fund.
- (i) The Second Party agrees to ensure security and cleanliness of the workstation and its surrounding areas
- (j) The Second Party agrees to make available the services of one person for system administration in making available the data required by the researchers and overall supervision. The Second Party also agrees to arrange for fund required towards payment of monthly salary from its internal resources which will not be reimbursable by ORG&CCI.
- (k) The Second Party agrees to monitor and supervise the research work done at the workstation and also agrees to assume full responsibility of research undertaken therein. The Second Party also agrees to inform ORG&CCI about the work undertaken at the Workstation on a monthly basis.
- (l) The Second Party will ensure that the data hosted on the server is not copied or taken out by anyone. For this purpose the Second Party would disable all USB Ports to disallow copying. Only the approved output tables prepared by the researchers shall be allowed to be taken out in soft or hard forms.
- (m) The Second Party agrees to be responsible for day to day running of the workstation.
- (n) The Second Party agrees to set up a Steering Committee, comprising two members from their faculty and two other members from DCO Chhattisgarh to be nominated by the Registrar General & Census Commissioner, India

- 1
- (o) The Second Party agrees to send information to the First Party on the number of research scholars using the workstation on a monthly basis
 - (p) The Second Party agrees to undertake adequate publicity (using website, newsletters, etc) on the objectives of the workstation to facilitate research on census data
 - (q) The Second Party agrees to maintain all documents/records concerning the use of the workstation and will make them available to ORGI for inspection as and when demanded.
 - (r) The Second Party agrees to send to ORG&CCI a copy of the research paper, thesis or report published by the researchers (in both hard and soft copy) using the facilities available at the workstation for record and for display at the census website
 - (s) The Second Party agrees to refund the grant extended to it if it fails to set up the workstation within a reasonable time frame not exceeding 12 months from the date of the receipt of the first installment of the grant from the First Party.
 - (t) The Second Party agrees to return to the First Party the entire amount received as grant from the First Party the entire amount received as grant from the First Party in case it fails to set up and commission the Workstation as stipulated in this MOU or violates the Terms & Conditions specified herein.

XII. RESPONSIBILITY OF THE FIRST PARTY

- a. The First Party agrees to provide a grant of Rs 20 lakh in two instalments for setting up the workstation as described above as

per the Terms and Conditions agreed to by the Second Party, vide this MOU.

- b. The First Party shall disburse the grant in two instalments as stated in the following:
 - (i) First instalment will be released on signing of the MOU by the Institute and the ORGI specifying the Terms & Conditions and intimating the total fund required for minor civil and electrical work subject to a limit of Rs 10 lakh.
 - ii. Second instalment will be released on completion of the minor civil and electrical work and on receipt of Utilization Certificate. The maximum amount for the second instalment will be Rs 10 lakh. In case the first instalment had been of less than Rs 10 lakh, the balance could be made available for purchase of equipment as second instalment if requested by the Second Party.
 - iii. In no situation the total amount disbursed by the First party will exceed Rs 20 lakh.
- a. The First Party shall not extend any additional loan/grant to the Second Party for the workstation set up under this programme
- b. The First Party will make available all the published tables from 1991 to 2011 Censuses for research as and when these are published
- c. The First Party will also make available micro-data from Census when so decided by them
- d. The First Party will generate customised tables as requested by the researchers subject to the sole discretion of the Registrar General

& Census Commissioner, India till such time the census micro-data files are made available at the workstation

- e. The First Party will not be responsible for results arrived at or conclusion drawn by the researcher using the data hosted in the workstation.
- f. The First Party will not be responsible for day to day running of the workstation and also regarding any dispute arising in using the workstation or research undertaken therein.

XII. SITE PREPARATION&LIST OF EQUIPMENTS

22. The Second Party agrees to undertake and complete the following civil and electric work in the workstation for research on micro-data from census:

Brickwork, Plaster, POP, Woodwork, Partition work, Flooring, Internal paint, False ceiling, Venetia blind, Glazed doors, Aluminium work, Air conditioners, Electric installations, Furniture, Other fixtures

23. The Second Party also agrees to install the following computer accessories for use in the workstation for research on micro-data from census:

Servers, Operating software, Antivirus software, Core to Duo Desktop Computers, 1 GB RAM with 17" TFT and OS (at least 6), MS Office and Antivirus software, UPS 3 KVA with one hour back up, UPS 650 VA with 30 minutes backup, Software (SPSS & STATA), HP Laserjet printer, 24 port LAN switch, Networking accessories and installation

24. The Second Party also agrees to finalize and execute the site preparation work and list of equipments with the approval of the DCO, **Chhattisgarh.**

XIII. DISPUTES:

25. In case of any dispute arising between the First Party and the Second Party, the same shall be settled mutually and amicably. In case of non-settlement of the issue, a three-person independent committee of the persons acceptable to both the parties shall be appointed to facilitate the settlement. The recommendations of the Committee will be binding on both the parties.

In witness whereof both the parties do here sign the memorandum of understanding.

Memorandum of Understanding (MoU) on Library Cooperation: Resources & Services

This Memorandum of Understanding (MoU) is made and entered into on 31st (Day) May (Month) 2019 (Year) between the Pt. Ravishankar Shukla University, Raipur, here in after referred to as the 'University' and Govt. Nagarjuna Post Graduate College of Science located at Raipur, hereinafter referred to as College.

Whereas, University, one of the biggest and old University of Chhattisgarh, has the biggest library of this region so for as collection users & services are concerned.

Whereas, College, an oldest science college of the region, has a rich library.

The Memorandum of Understanding (MoU) defines responsibilities, liabilities and commitment of the institutions involved to ensure proper system implementation to meet mutual library cooperation.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, University and the College agree to the following terms and conditions.

I. The University

1. Extend all facilities extended to differently abled persons.
2. Technical expertise.
3. Resources e- or print will be shared to the bonafied students of Science College.
4. Jointly organize seminars/ workshops/ lecture series & training for professional developments of library staff, at least once a year.
5. Any other activity as and when needed for strengthening our library.

II. College

1. Exchange of print materials.
2. Mutual use of e-resources.
3. Mutual use of various library related software.
4. Collective organization of seminars, workshop & other academic program.
5. Mutual use of infrastructure and other facilities.
6. Academic exchange for planning of development projects.

III. Termination

Both, the parties, will have rights to terminate the MoU at any time in case of breach of obligations and terms and conditions of the MoU. This MoU signed hereunder may be terminated by either party at anytime upon ninety (90) days prior written notice.

IN WITNESS WHEREOFF, the parties hereto executed this MoU on this date above mentioned.
