## 9. Scope of the Work & Technical Specifications

Scope of Work and the Technical Specifications is as under:

### Functional Requirements

#### WEB HOSTING

It is the responsibility of the Service Provider to ensure that the web portal hosting is taken care of and that any problems are quickly resolved. Also, the hardware equipment is owned and maintained by the hosting service provider (bidder). The Service provider should support PRSU for Installation/Configuration of Website/application and migration of data from the existing service provider.

### I. Server Preference

- 1) Web Servers should be preferably WINDOWS or Linux OS 64 Bit.
- 2) RAM should be 64 GB and 2 TB of HDD for Cloud Servers with provision for enhancement whenever required.
- 3) The hosting agency has to provide dedicated Fully Managed and Secured Servers, Hardening, Intrusion Prevention, SSL certificate provision, Site Migration, Load Balancing, http/2 Server Configuration, MySQL/Database Configuration, 24x7x365 Hours uptime with fully managed support. The hardware equipment should be owned and maintained by the hosting service provider itself. All the system administration services also provide along with it.
- 4) Proposed Web/System administration services are as follows:
  - Operating System Management
  - Database Management /Replication
  - Web Server Management
  - Backup Management
  - Security Management
  - DNS Management
  - Installation of Firewall and It's Maintenance
  - DDoS
  - Vulnerability Assessment /Penetration Testing of all Server(s)
  - Proactive Maintenance Services
  - Data Migration, if required.

**विकास विभाग**  
गं. विशंकर शुक्ल विश्वविद्यालय, रायपुर (छ.ग.)

- Installation of SSL certificate and Digital Signature Certificate whenever required.
- Hosting provider shall be in a minimum Tier 3 Data Center within india.
- Web Mail Services of Domian www.prsu.ac.in
- Various Payment Gateway Support
- Any other service which may be required by PRSU in future

### Reports Required

Sr. No.	Report Name	Report Type	Frequency
1	Back up and Restore	Report	Weekly
2	Critical Incident Report	Report/MIS	Monthly
3	Server Utilization and Uptime Report	Report/MIS	Weekly & Monthly
4	Network performance monitoring Report	Report/MIS	Weekly & Monthly
5	Incidents and resolution Report	Report/MIS	Daily & Monthly
6	Storage Infrastructure checklist, Uptime and Performance Report	Report	Daily & Monthly

- 5) The Web Hosting Service Provider should also ensure timely deployment of all latest update /upgrades of patches /versions / releases for all software / system software released by the developers.

### II. Domain Name

The Hosting service provider should take care of all the activities of mapping the domain names as per the requirement of PRSU.

### III. Backup

The Web Hosting Service Provider should provide 24x7x365 days uninterrupted service and should ensure that backup is taken on a daily basis; they should have automated scripts for this task. The data backup taken should be easily retrievable as and when needed. They have also to ensure that the website should map to dedicated Disaster Recovery System / Server(s) at offsite.

### IV. Traffic Volume & Bandwidth

Web Hosting Service Provider should not impose any traffic volume restrictions. Adequate bandwidth should be provided by the Web Service Hosting Provider. The service provider should increase the bandwidth as the condition may arise. Approximate bandwidth required is 100 Mbps with 1 bps Network Uplink.

## V. E-mail Functions

The Web Hosting Service Provider should provide all necessary support with regard to the installation and maintenance of active email services as required for the application developer / PRSU. i.e. Mail Transfer Protocol to be made available whenever required. Apart from group email service, the bidder has to provide email services for the domain name www.prsu.ac.in also.

## VI. Database Access

The Database preferred is MySQL, MSSQL, PostgreSQL, MariaDB etc. The Web Hosting Service Provider should provide database access to the Web Portal. All the data like Master, Transaction, server logs and Audit data should be stored in the database. If any change in the Database has to be provided as per the requirement of the Website developer.

## VII. Disk Space

The service provider should provide the initial disk space as SSD/SATA HDD Raid Level 5 type Controller with a usable storage space above 1TB for Database and latest technology. The Service Provider should be able to provide additional disk space as and when the need arises.

## VIII. Control Panels

The preferred control panel is cPanel / Web Host Manager. The Web Hosting Service Provider has to provide all the possible operations including any updates to the application, analysis of logs through the control panels. The modules required in the control panels are Access to server logs, Details of available and used web space and bandwidth, Email account configuration, Maintaining File Transfer Protocol users' accounts, managing database, Visitor statistics using web log analysis software and Web based file manager.

## IX. Uptime Guarantee

The Web Hosting Service Provider has to ensure that the Uptime for the application availability is at least 99.5% and 99.99% for the systems availability. Prior notification should be given for scheduled maintenance. Any issues with availability of Web Portal should be dealt without any delay.

## X. Security

Hosting Provider should ensure various levels of securities against the vulnerabilities, such as Physical Level (Authorization, Authentication, CCTV, Biometric access etc), Logical Level (Firewalls, Intrusion Detection, Anti-virus, etc) and Data Level (Encryption, Recovery etc.). It is also ensure that the National Web Portal Comprehensive security solution should be incorporated to avoid hacking and threats. Hosting Provider should ensure load balancing and also implement WAF (Web Application Firewall) and DDoS prevention solution. They should have an arrangement to stop/protect DDoS attacks.

## 10. Criteria for Evaluation

The evaluation process consists of 2 stages. Only those firm/bidder/ companies that have passed the technical evaluation stage, after that Financial Bid will be opened.

**विकास विभाग**  
पं. रविशंकर शुक्ल विश्वविद्यालय, रायपुर (छ.ग.)

---

- 2) The bidder should be having PAN, TAN/TIN, GST (whichever applicable) and Registered for Service Tax.
- 3) Financial Bid documents should also include rates quoted for Web Hosting Services (including Manpower cost, Printing, Transportation, maintenance, etc.), on Annual basis, and should be exclusive of GST and other applicable taxes.
- 4) The rates quoted in the Financial Bid will be final and no deviation / escalation will be allowed.
- 5) Payment shall be made after the end of each Quarter, only after satisfactory services are rendered to PRSU.
- 6) Reimbursement of charges, if any shall be considered only after successful completion of the assignment.
- 7) All information, document, photos and data coming in the possession of firm, as a result of the execution of the job shall remain the property of PRSU.
- 8) The firm has to complete the job assigned within the joint agreement duration and if the job is not completed within the stipulated time, a penalty @ 10% of the cost of the uncompleted job for each day will be imposed on the firm.
- 9) PRSU will have no liability regarding transportation, boarding and lodging of firm/bidder and their staff.
- 10) Under no circumstances the firm shall not appoint any subcontractor or sub lease the contract. If violated the conditions, the contact with the firm will be terminated.
- 11) The rate quoted once will remain firm for that particular dealing. Any Conditions of the firm sent along with proposal if any, shall not binding on PRSU.
- 12) It is not binding on PRSU to accept the lowest of the bid.
- 13) TDS as applicable on date will be deducted from firm actual bill submitted for payment.
- 14) Conditional offer submitted by firm/bidder or offers submitted by fax/email will not be accepted.
- 15) The PRSU reserves the right to accept or reject any or all Bids without assigning any reason thereof.
- 16) The Service Provider will have to enter into a written Agreement with PRSU within 15 days of intimation of acceptance of approved rates.

## 16. Disqualification

PRSU reserves the right to reject the Bids in the following cases:

- 1) Bids received after due date and time.
- 2) Bids not accompanied by all requisite documents along with Earnest Money Deposit (EMD) in the form of Demand Draft/Banker's Cheque.
- 3) If the hard copy of Bids is not signed by the Authorized Signatory of the agency.
- 4) If the bidder submits the Bids specifying his own terms and conditions.
- 5) If information submitted in Bids is found to be misrepresented, incorrect or false.
- 6) Bidder fails to deposit the Performance Bank Guarantee (PBG) or fails to enter into a contract even after the date of notice of award of contract or within such extended period, as may be, the selection may be rejected.
- 7) Bidders may specifically note that while evaluating the Bids, if it comes to PRSU knowledge, expressly or implied, that some bidders may have colluded in any manner whatsoever or otherwise joined to form an alliance resulting in delaying the processing of Bids, then the bidders so involved are liable to be disqualified.

## 17. Jurisdiction

- 1) All differences and disputes arising out of or in connection with the Agreement shall be settled by mutual discussions and negotiations.
- 2) If such disputes and differences cannot be settled and resolved by discussions and negotiations, then the same shall be referred to the Hon'ble Vice Chancellor/Registrar of PRSU whose decision shall be final and binding on both the parties.
- 3) Judicial jurisdiction shall within Raipur, Chhattisgarh only.
