Implementation

1. The CBCS may be implemented in Central/State Universities subject to the condition that all the stakeholders agree to common minimum syllabi of the core papers and at least follow common minimum curriculum as fixed by the UGC. The allowed deviation from the syllabi being 20 % of the maximum.
2. The universities may be allowed to flexibly design their own syllabi for the core and elective papers subject to point no. 1. UGC may prepare a list of elective papers but the universities may further add to the list of elective papers they want to offer as per the facilities available.
3. Number of Core papers for all Universities has to be same for both UG Honors as well as MA Program.
4. Credit score earned by a student for any elective paper has to be included in the student's overall score tally irrespective of whether the paper is offered by the parent sponsor/their net.
5. For the introduction of AI Courses, they may be divided into two categories:
 - a) AI Compulsory Courses: The universities participating in CBCS system may have common curriculum for these papers. There may be one paper each in the 1st two semesters etc. [I] English/II] Communication, [R] Environmental Science.
 - b) AI Elective Courses: The universities may decide the papers they may want to offer from a common pool of papers decided by UGC or the universities may choose its own.
- 6.
