Message from the Vice Chancellor

It is a moment of immense pleasure and pride that the HRDC is launching the first issue of its Newsletter. The Newsletter will go a long way in giving visibility to the HRDC as it will reflect the contribution of the center on the vision and mission of higher education of the University. It will showcase its achievements and announce future plans.

Human resource in academia is the most important resource in the world, and it is on developing this resource that the world can be changed for the better. The HRDC of our University is doing a commendable job in this field.

I congratulate the HRDC for taking this initiative of bringing out a newsletter.

I convey my blessings and support for this wonderful enterprise.

- Prof. Keshari Lal Verma

Message from the Director

Human Resource Development Centre, Pandit Ravishankar Shukla University, was established in 2006 and it has grown exponentially.

The HRDC has organized a number of excellent programs, catering to the challenges and needs posed by higher education over the years. The HRDC is powered by ideas of innovation and the team works in sync with the University, UGC and other HRDCs.

The responsibility of the HRDC is further increased during the time when the NEP 2020 being implemented. The Centre is supposed to play a pivotal role by ensuring the effective initiatives for the capacity building of teachers working in higher educational institution

The Newsletter will reveal our vision and mission, and also present a summary of our achievements in organizing programs.

I would like to welcome you all to this first issue of Newsletter of HRDC, Pt. Ravishankar Shukla University Raipur.

- Prof. Shailendra Saraf

Message from the Chief Editor

I would like to express my warm regards to our Vice Chancellor and also to the Director, HRDC, Pt. Ravishankar Shukla University, Raipur for giving me the opportunity to be a part of this remarkable endeavor.

This is the first Newsletter of the HRDC and we need lots of good will and positive suggestions and inputs.

The Newsletter showcases our history, our objectives and all our achievements. The HRDC gained immense popularity as one of the first HRDCs to start Online Courses during the pandemic. It gives details of all the programs conducted in the session 2021-22 and an outline of programs proposed in 2022-23.

- Dr. Brijendra Pandey

The purpose of the Newsletter of HRDC, Pt. Ravishankar Shukla University, Raipur is to showcase its remarkable achievements of the centre. After its establishment many activities and programs were organized time to time in various domains. University has provided adequate facilities to strengthen the teaching learning process and to achieve its ambit as well. The State Government also supported for its infrastructure in terms of a building with fundamental amenities.

HRDC has a well-equipped Seminar hall, Lecture theater (03) Library and other basic facilities. HRDC is effectively using the ICT based teaching learning methods with the help of smart boards available in the centre.

UGC had sanctioned 03 posts in the centre out of which two posts were filled in the year 2007.

The journey began with the organisation of Orientation Programs, Refresher courses and Short-Term Programs. After that we widened its scope with the introduction of "Faculty Induction Programs" "Gurudakshata" and "One week workshop" and now we have a huge teaching learning platform.

HRDC, Pt. Ravishankar Shukla University has organized 36 Orientation Programs, 60 Refresher Courses, 04 Special Summer Schools, 04 Special Winter School, 16 Workshop, 28 Short Term Courses. Not less than 5000 participants were successfully participated in these programs and about 2500 Resource persons were invited from different region of the country and imparted their knowledge to the participants.

We are now in the digital and technology-oriented world. The objective is to enhance our energy through our teachers.

The teachers must incorporate-

01. Subject domain Knowledge
02. Critical and analytical thinking
03. Problem solving skills and innovative abilities and
04. Appreciation of knowledge and creativity.

If we want to change the world then we have to come up with – *Innovation, Experimental and dynamic Ideas.*

Thereafter we can have a better world of education.

Thus this newsletter will be a path to be aware of all the initiative taken by HRDC. Definitely it must prove to be a symbolic strengthening of its principal of "Development"
