

Vision of the SoS

- *To develop the SoS as a centre of Excellence for Value added education at National and International level.*
- *To deepen understanding of students about the greater purpose of life and instil the value of self-esteem and self reliance in them.*
- *By conditioning students about selflessness through holistic approach.*
- *By conditioning students about the meaning of Purushartha and means to attain them as it is necessary for National building and better tomorrow.*
- *By providing world- class education through School of Studies while converting it into International Centre for Yogic Studies.*
- *By promoting qualitative research in School of Studies.*
- *By creating environment conducive to overall development of students.*
