SCHOOL OF STUDIES IN CHEMISTRY

Pt. Ravishankar Shukla University (PRSU), established in 1964, is the largest and the oldest academic institution of Chhattisgarh state. The PRSU has 300 acres sprawling campus and grown enormously over the last 53 years in terms of number of students (approx. 2 lakhs) as well as disciplines, viz., arts, science, life science, humanities, law, education, pharmacy, management, physical education, etc. 27 School of studies and around 150 affiliated colleges spread over different districts of Chhattisgarh.

SoS in Chemistry is one of the oldest and most prominent department in Pt. Ravishankar Shukla University, Raipur, founded in 1972. Under the supervision of dedicated teachers, it offers M. Sc., M. Phil. and Ph. D. programs. The academic achievements of the SoS are well reflected by over 600 research papers published at the world level and more than 160 Ph. D.'s produced covering a wide spectrum of the chemical sciences. The School has been the proud recipient of DST-FIST (Phase I & II) and has been tagged as a SAP department under
