E- Resources for Learning and Research

11 August 2023

School of Studies in Biotechnology
Pt. Ravishankar Shukla University, Raipur 492 010, Chhattisgarh

A popular lecture on **E-Resources for Learning and Research**, by **Dr. Suparna Sengupta**, Librarian, Pt. Sundarlal Sharma Library, PRSU, Raipur, was organized by School of Studies in Biotechnology, PRSU, Raipur, on **11 August 2023**. This lecture was held in between **3:30–5:00 pm** in the **Smart Class Room** of the School. The event was commenced by presenting a floral bouquet to Dr. Sengupta Sir by **Prof. Keshav Kant Sahu**, Head of the School.

The main objective of the lecture was to introduce the students about various e-resources and other facilities available at Pt. Sunderlal Sharma Library, their benefits, and the strategies implemented to maximize their utilization. He started his lecture by providing a glimpse of the university library. The library of this university took birth in a small room of the Govt. Science College, Raipur, in 1965. It was named after Pt. Sundarlal Sharma, the legendary freedom fighter and social reformer, by Shri Arjun Singh and the Chief Minister of Madhya Pradesh in December 1985. Dr. Sengupta highlighted that the library has invested in building a diverse collection of e-resources, including e-books, academic journals, research databases, multimedia content, and many more. This collection caters the needs of students, faculties, and researchers across various disciplines. One of the key advantages of e-resources is their accessibility round the clock. Users can access the library's digital collection from anywhere, enabling seamless learning and research even beyond traditional library hours. The lecture was very informative and understandable for the students. A total of 48 students attended this event. The session was ended by the vote of thanks given by Ms. Harsha Verma of M Sc III Semester of this School.
