**Virtual Participation in
3rd Anniversary of National Education Policy-2020
&
2nd Edition of Akhil Bharatiya Shiksha Samagam**

**School of Studies in Biotechnology
Pt. Ravishankar Shukla University, Raipur 492 010
(19 August 2023)**

The Ministry of Education, Govt. of India, New Delhi, has been organized a mega event to celebrate 3rd Anniversary of National Education Policy (NEP)-2020, and 2nd Edition of Akhil Bhartiya Shiksha Samagam, from 29-30 July 2023, at Pragiti Maidan, New Delhi. This mega exhibition event was inaugurated and addressed by Hon'ble Prime Minister of India Shri Narendra Modi, and many other officials.

School of Studies in Biotechnology participated in this mega event as a MIC Driven Activity for the Q4 of IIC 5.0. A total of 75 students of this School which includes both M.Sc. and Research Scholars virtually became part of this inaugural event through You-Tube on 19 August 2023, in the Seminar Hall of this School. This event highlighted more than 300+ stalls and pavilions of early-stage start-ups, edutech, and growth performances of the innovators. Various institutions demonstrated their contributions and breakthrough innovative achievements towards achieving the overall goal as envisioned under the National Education Policy-2020.

Since its inception NEP-2020 has been a catalyst for introducing innovative and progressive reforms at all levels of education aiming holistic development. A video showcasing the milestones achieved so far by NEP-2020 has been shown to the audience. Hon'ble Prime Minister Shri Narendra Modi inspected the concept of Balvatika, as part of NEP and also discussed with participants that how NEP could aid strengthen the start-up ecosystems and channelize their talents globally representing India as world leader in upcoming 25 years. The PM SHRI Schools, established as implementation benchmark of NEP-2020 under the PM SHRI Scheme, received the first installment. The schools covered under the scheme will prepare students for equitable, inclusive and pluralistic society as envisaged by NEP. The PM also released education and skill curriculum books translated into 12 Indian languages, aimed to enhancing learning process by allowing students to study in their mother tongue. The

program marked the conclusion of this event with education leaders pledging to collaborate in order to transform India into an equal and thriving knowledge society.

Glimpses of the event:
