University Institute of Pharmacy, School of Studies in Biotechnology, and Public Outreach Centre of Pt. Ravishankar Shukla University, Raipur, jointly organized a Popular Lecture on “Global Expansion of Pharmaceutical Products from Regulatory Affairs”, of Mr. Sanyam Gandhi, GEM Senior Regulatory Manager, Takeda Pharmaceutical Company Limited, 500, Kendall St, Cambridge, MA, USA, on 11 December 2023. Students, Research Scholars and Faculty Members of School of Studies in Biotechnology and University Institute of Pharmacy attended the lecture in the ML Schroff Hall of University Institute of Pharmacy, Pt. Ravishankar Shukla University Raipur.

The event started with the warm welcome of the guest speaker, who was given a sapling by Prof. Sanjay J. Daharwal, Director, University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur. Thereafter, a brief introduction of the guest speaker was delivered to the audience.

The talk started with a brief introduction of the what exactly Regulatory Affairs contains especially in reference of Pharmaceutical Industries followed by an explanation of why

professional legal individuals are a necessity to handle the various regulatory affairs. The talk continued with a brief description of various divisions of regulatory affairs and what each division encloses. Then detailed information on different regulatory aspects starting from the formulation, and manufacturing process up to the commercialization of those products and their national and international expansion was delivered to the audience. The talk included soft skills required in regulatory affairs professionals along with various agencies national and international that deal with these regulatory affairs of the pharmaceutical industry. The talk concluded with information on the status of the Global Market of the Pharmaceutical Industry.

The talk was followed by an interactive session where the speaker answered various questions from the students and faculty members. At last, a token of appreciation was presented to the guest speaker by **Dr. Deependra Singh, Assistant Professor, University Institute of Pharmacy** and the session ended with a vote of thanks extended by **Dr. Manju Singh, Associate Professor, University Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur.**
