

A Report on Lecture Series: “Youth and Life Management”

The Lecture series on “Youth and Life Management” was continued on 13.03.2024 at Center for Basic Sciences, under Public Outreach Program, Pt. RSU, Raipur, in the auspicious presence of Prof. Sachidanand Shukla, Honorable Vice-Chancellor Pt. RSU, Raipur and Prof Kallol K. Ghosh, Director, Center for Basic Sciences and In-charge, Public Outreach Centre and all distinguished faculty of the center.. On this day PadmaShri Anuj Sharma, MLA Dharsiwa was invited. A welcome address was delivered by Prof. Ghosh in which he inspired the students to get involved in art, music and culture. A presidential address was given by Prof. Shukla where he talked how hard work, self-confidence fills us with inspiration and energy. He also mentioned that our uniqueness should become ‘our identity and icon’. The lecture series was co-ordinated and conducted by Dr. Bhanushree Gupta, Assistant Professor, Center for Basic Sciences.

Arrival and felicitation of guests

PadmaShri Anuj Sharma emphasized the importance of living in the moment, having positive attitude towards life, and how these habits help us to achieve goals. In addition, he told not to wait for the right moment instead grab the moment and make it a right one. In this world, the defeated people tell the reasons for defeat while the victorious people tell the mantras of victory. He also told that every individual is different and must not compare themselves with others. He then advised everyone to respect and review themselves and to keep the critic and supporter in them alive for maintaining a balance in life. We have to learn to turn situations into happiness. He also told that a person must be able to differentiate between the fights that are worth it or not. He further said that with your interests you can benefit yourself, your family and the country. And above all peace of mind is the most important thing that makes a person successful.

Some glimpse of the lecture

In the program, the new edition of the annual magazine of Center for Basic Sciences 'Jarai' was released. In this magazine educational, academic, literary, cultural activities and creative talents of the students and teachers of Center for Basic Sciences have been given a place. Center for Basic Sciences is continuously publishing the annual magazine 'Jarai'.
