## Report: “National Startup Day”

The ‘Startup India’ initiative was launched on 16th January 2016 to build a dynamic startup ecosystem for nurturing innovation & entrepreneurship, boosting startups, and encouraging investments in the nation. The 16th of January, marking the founding day of the ‘Startup India’ Initiative, is annually observed as the ‘National Startup Day’.

This year on the completion of eight remarkable years of the launch of ‘Startup India’ initiative, the Institution Innovation Council of Pt. Ravishankar Shukla University (PRSU) in association with S.o.S in Electronics & Photonics and IRETm enthusiastically celebrated the ‘National Startup Day’ on Tuesday, 16th January 2024 at the Seminar Hall, School of Studies in Electronics and Photonics. During this celebration program, expert lectures were delivered by the invited chief guests Dr. Anuj K. Shukla, Assistant Professor, NIT Raipur & CEO of NIT Raipur Foundation for Innovation & Entrepreneurship, and Mr. Pawan Kataria, Assistant Registrar, NIT Raipur & Manager of NIT Raipur Foundation for Innovation & Entrepreneurship. Several Students, Faculty and Staff members of the university actively participated in the program.

Commencing with a ceremonial lamp lighting, Saraswati Vandana, University Kulgeet and a floral welcome of the Guests, the program was meticulously organized by Dr. Kavita Thakur, President of the Institution Innovation Council and Head of the School of Studies in Electronics and Photonics, PRSU, Raipur. Professor Sachchidanand Shukla, Honorable Vice Chancellor addressed the gathering and encouraged students for Startups. The invited guest speakers from NIT Raipur expressed that the future of innovation and entrepreneurship in India looks bright, driven by creativity, technological advancements, favorable policies, increased funding, and a rapidly evolving market, setting the stage for unprecedented growth and success. In his motivational lecture, Dr. Anuj K. Shukla, Assistant Professor in the Department of Mechanical Engineering at NIT Raipur presented insightful industry-specific startup statistics while emphasizing the significant contributions of Indian startups towards achieving the ambitious five-trillion-dollar national economy goal. In his captivating lecture, NIT Raipur’s Assistant Registrar Mr. Pawan Kataria extended warm wishes for the National Startup Day and provided valuable insights on overcoming challenges prevalent in the startup ecosystem, and on building & raising funds for a successful startup, thereby contributing to India's transformational journey towards becoming a developed self-reliant nation characterized by ‘job creators’ instead of job seekers. Both the Guest speakers emphasized that the rich talent pool and growing market in the state of Chhattisgarh provides a conducive environment and immense potential for innovations and startups in various sectors like agriculture, minerals and renewable energy, to flourish and
